Communication

- ◆ **Communication is about sending & receiving messages.**
- ◆ **People may deliberately send a message verbally, while at other times non-verbal.**
- ◆ **Our body language is considered to be one of the most important way we convey message.**

Effective Communication

are fundamental to success in many aspects of life.

is therefore a key interpersonal skill and learning how to improve your communication has many benefits.

WHY

do we communicate?

WHAT

are the different types of communication that are available to us?

HOW

Are certain types of communication suitable in some situation whilst other types are not? What are the examples?

Types of communication

There **are four main types** of communication you might use on a daily basis, including;

VERBAL

Communicating by way of spoken language

NON-VERBAL

Communicating by way of body language, facial expressions and vocalics.

WRITTEN

Communicating by way of written language, symbols and numbers.

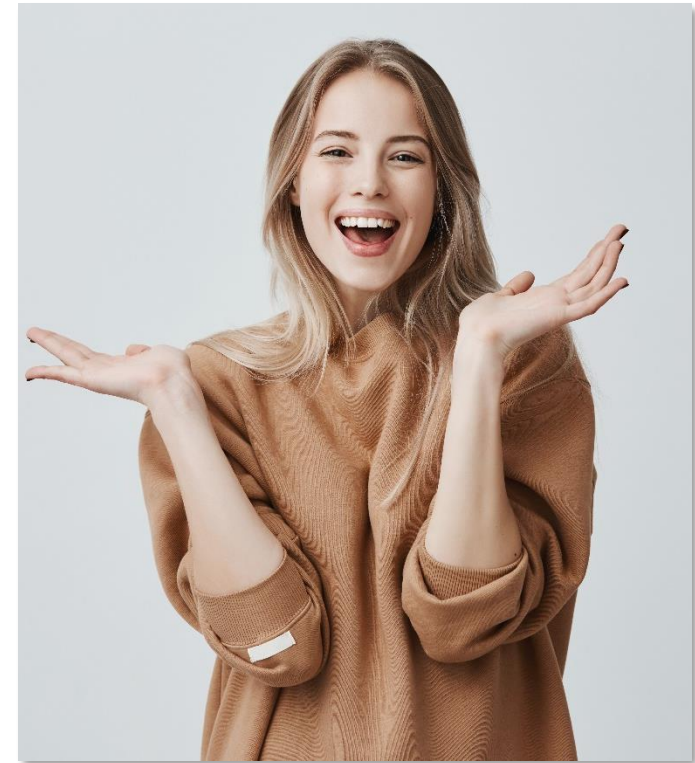

VISUAL

Communication by way of photography, art, drawings, sketches, charts and graphs.

Nonverbal Communication Skills

Nonverbal communication refers to gestures, facial expressions, tone of voice, eye contact (or lack thereof), body language, posture, and other ways people can communicate without using language.
