Course summary

When you hear people speaking French, do you wish you could join the conversation? Do you feel passionate about French culture and being more able to immerse yourself in it? Or do you have an opportunity to work in a French-speaking country? There are lots of reasons for wanting to learn French, so if you have decided that now is the time for you to learn another language, why not make it le français? This statement serves as proof of the successful completion of a course accredited by the CPD Standards Office. You have earned 24 CPD points through your participation in this course.

Learning outcomes

By completing this course, the learner should be able to:

- appreciate what learning French at beginners' level is like
- set some personal goals towards learning French
- recognise and pronounce a few basic French sounds and words
- understand a few basic notions of French grammar
- recall some basic facts about French-speaking countries and communities around the world, and understand basic cultural differences
- understand the skills developed by language learners, including intercultural communication skills.

Get ready for beginners' French
